Hi, Omar-

I've attached the permit, as requested.

Thanks!

Hillary:

We would like a copy of the Permit that was issued to Midway. If you can sent this electronically, it would be appreciated.

Thanks,

Omar T. Martinez

Hi, Omar-

The Mid-Way injection well permit was issued on August 11, 2014. The facility isn't operating because the solid waste processing facility permit requires as-builts and financial assurance to be submitted to DEQ before the waste processing portion of the facility can accept waste. We are still waiting for those.

Let me know if you have any questions. Thanks!
